## **SUMMER READING**

Students are required to choose 1 of the books listed from the SUMMER READING CHART and have it read by the first day of school. A Supportive Reading Program is available for students from July 20-31 under the supervision of a teacher. Details to follow in an upcoming email.

## **BOOK BISTRO**

Throughout the year students partake in a supplemental reading program called “The Book Bistro”. Students are given a theme and they select books to read based on that theme for their first “Book Bistro” card. They then continue reading any book of choice and create “Book Bistro” cards (information and requirements will be given in class). As a culminating event, the students partake in a “Book Bistro” where they discuss and pitch one of their favorite books from the quarter. Parents and caretakers will be expected to purchase/rent books along the way based on the student’s choice.
