

Math 8th Grade

This faculty member teaches 8th grade math and Algebra to middle school students in a blended learning environment. Blended learning is a program that combines face-to-face learning with technology-based, digital instruction. Learning takes place using a combination of online work, classroom work, and teacher instruction. Students will have increased control over the learning pace and activities to master the grade appropriate curriculum and beyond. This teacher works closely with the other middle school math teachers.

The class sizes are approximately 28 students. Academic teachers have 2.5 hours of prep time for curriculum planning, meeting, integrating, and assessing. ASA uses "Into Math" curriculum by Houghton Mifflin Harcourt. The teacher will differentiate using additional resources as needed to support student growth and achievement.

This position reports directly to the School Principal.

Essential Duties and Responsibilities

- Create a respectful, stimulating, purposeful, and student-centered classroom.
- Cultivate critical thinking and active participation in the classroom.
- Utilize current curriculum and assessments aligned to the Common Core Standards, ASA standards, and ASA's scope and sequence.
- Communicate clear objectives to students for all learning.
- Communicate progress/achievement to students and parents.
- Work cooperatively with colleagues in a team setting for curriculum design, assessment, and implementation.
- Participate actively in grade level and department teams.
- Uphold the school's philosophy, mission, vision, and values.
- Perform duties as assigned

Minimum Qualifications

- Bachelor's degree in his/ her content area from an accredited four-year college or university
- Highly qualified
- Valid IVP fingerprint card
