 Arizona School for the Arts **Thursday**
SHOWCASE 05.30.24
GOASA.ORG/SHOWCASE

Imaginarium, an ASA Showcase is our culminating performing arts event at Phoenix Art Museum and Central United Methodist Church in downtown Phoenix on **Thursday, May 30, 2024**. The performance will start at **6:00pm**. Showcase is designed to present a variety of group performances representing ASA's three artistic disciplines (music, ballet, and theatre) and providing an immersive experience and peek into the ASA performing art classrooms. Imaginarium will be a unique festival type experience where audiences will be able to circulate through a variety of performance stages and interactive events. In addition to arts performances, we are excited to be including academic installations and presentations throughout the night. When students are finished performing, they will have the opportunity to be audience members also. Families will be provided a program with an event map and performance times for each event.

Some students may be participating in arts classes this year that do not perform in Showcase. To help families with their May schedules, we are providing a list of the groups performing at this time. Students that are not participating in Showcase 2024 will be excused from school starting May 24th, 2024.

More information about the rehearsal schedule and purchasing tickets to the performance will be available soon. Please feel free to communicate with your student's arts teacher about any questions or concerns. Students will receive individual student schedules the week of May 1st, 2024. Please ask your student for this document.

Reserve your tickets and view our sponsorship packages now at GOASA.ORG/SHOWCASE
